Heya Block 10,
Are you looking for cheap accommodation within Japan? Why not join Tatami Timeshare, the couchsurfing-esque program built by JETs for JETs! Signing up is easy, just follow the instructions at <http://ajet.net/community/tatami-timeshare/> or check out the flyer below. I've personally done it (in Saitama prefecture) and had a great experience. I've also hosted people (from Kumamoto prefecture). Awesome service, definitely check it out!
